Date: 21 September 2026

To
The Project Director,
Bangladesh Standards and Testing Institution (BSTI),
Dhaka, Bangladesh.

Subject: Submission of Manage Service Proposal for BSTI e-Application Management System.

Dear Sir,
With reference to the development and implementation of the digital services of the **Bangladesh Standards and Testing Institution (BSTI)**, we hereby submit our **Manage Service Proposal** for the required scope of work.

The project was initially undertaken under the Bangladesh Trade Facilitation (BTF) Project and commenced on **12 January 2025**, with an anticipated completion date of **31 July 2026**. Subsequently, the contractual arrangement was amended on **13 June 2025**. Since then, we have continued to support BSTI by providing **service enhancement, expansion, maintenance, issue resolution, and technical assistance** to ensure continuity of the existing services. During this period, **five (5) services have been launched**, with ongoing improvement and support based on operational and user requirements.

Following the anticipated completion of the project on **31 July 2026**, the existing services, requirements, and future development needs were reviewed and analyzed from **1 August 2026**. Based on this assessment, a detailed **Scope of Work** has been prepared.

Accordingly, the enclosed **Financial Proposal** has been prepared based on the defined scope, considering the required **manpower, technical activities, time, and resources** for the enhancement, expansion, maintenance, and technical support of the existing services.

We hereby submit the Financial Proposal for your kind consideration and necessary action.

Thank you.
